Experts Seeking Cause Of Worst Plane Crash; 86 Dead

MOSES LAKE, Wash. (AP)—Military experts continued efforts today to solve the riddle of why 86 men were killed here Saturday in history's worst airplane crash.

And civilian officials, in and out of government circles, began a concerted demand for investigations and action to reduce the number of military plane accidents.

Saturday's crash, which killed all but 30 of the men aboard the U. S. military's biggest airplane, was the 10th in a recent series which has snuffed out more than 300 lives.

Identifying Dead
Calls began immediately for grounding of military aircraft while safety precautions and plane checks are taken.

Sen. Richard Russell (D-Ga.) called for an exhaustive investigation. He said it was possible a subcommittee of his Senate Armed Services Committee would take action on the Moses Lake disaster.

At Larson Air Force Base, starting point of the flight, the grim

and tedious job of identifying the dead continued. The process was slow because many of the victims were mangled and burned beyond recognition.

Use Dental Records
A study of dental records was being made by identification experts.

Meanwhile, four Air Force generals huddled with other officers, civilians and technical representatives of aircraft and equipment manufacturers, trying to piece together the cause of the accident.

An Air Force captain with years of experience flying heavy equipment said he thought the plane just couldn't develop enough power to rise from the runway.

Pilots Killed
He was Capt. George Demas of Cleveland, O., and Charleston, S. C. His observations were made first-hand—he was one of the passengers who lived through the crash.

The pilot, later identified in the list of dead as Lt. William O'Connell of Portland, Me., probably (Please Turn to Page 5)

Solons Want Russia Tried For Killing 15,000 Poles

WASHINGTON (AP)—A congressional committee recommended today that Soviet Russia be arraigned before the International Court on charges of murdering 15,000 Poles during World War II in the Katyn Forest massacre.

In a report to the House, a special committee which investigated the killings in Eastern Russia said also that the incoming Congress should undertake an immediate investigation of Communist atrocities against United Nations troops in Korea.

The committee spent more than a year investigating the disputed blame for the Katyn Forest atrocity.

Both Russia and Nazi Germany have accused each other of the mass murders sometime after 1940. Graves containing the bodies of the Polish victims were discovered in the Katyn Forest near Smolensky by German troops in 1943.

The committee said evidence taken in hearings in Washington and abroad pointed conclusively to Russian guilt.

Its report went on to say that

Knouse Foods today received state approval from the Sanitary Water Board in Harrisburg of plans to construct a 15,000,000 gallon waste disposal system at Peach Glen. Dr. James R. Oyer, technician director, said the new system is necessary to alleviate pressure on the present system as a result of expanded manufacturing facilities.

Dr. Oyer said the project was planned more than a year ago after company officials decided to step up production at the firm's Peach Glen plant. He said application for a permit to build the system was submitted to the state for approval in October.

Completed In April

The project, which adjoins the present system at Peach Glen, is being constructed on a seven-acre tract of land east of the plant purchased from Huber Bream. Work was started last October by John D. Teeter, Gettysburg, who expects to have it completed in April if weather permits early resumption of excavation.

The new system will permit a total of 18,000,000 gallons of waste to be treated yearly at the plant's two units.

Will Sing Carols At Sunken Gardens

There will be public carol singing Tuesday evening and again on Christmas Eve at the Sunken Gardens tourist court, 4½ miles east of here on the Lincoln Highway. It was announced today by the proprietor, J. H. Smith.

A Hammond organ will furnish the musical accompaniment for the carol singing from 7 to 7:30 o'clock each evening. Mr. Smith invited any caroling groups going out on those evenings to join the carol singing at his establishment. There is parking space available there, he added, but carolers should wear galoshes or overshoes. The organ will be placed on an open porch and amplifiers will carry the music over a wide area.

On Tuesday evening the organist will be Philip McGuire and on Wednesday evening, Miss Julia Yost, Biglerville, will play.

FORMER LOCAL MAN ARRESTED

A 46-year-old man who gave his address as McConellsburg and his occupation as accountant drew a stiff penalty in York city police court Saturday after he was accused of offering two Jackson School girls, nine and 11 years old, money to go with him on Friday.

The 11-year-old girl, her teacher, W. L. Robertson, school principal, N. W. Hanning, and Patrolman Richard H. Enders testified against William James Harris, formerly of Gettysburg, before Magistrate William M. Nickey. He was charged with drunkenness and disorderly conduct.

Harris was sentenced to pay a \$100 fine or spend 45 days in jail, and was committed in default of the fine. His defense was that he was intoxicated and did not remember seeing the girls.

He declared, "I just can't believe it." Harris had been arrested 10 times before in York.

DETROIT LIONS BEAT RAMS; TO TAKE TITLE

DETROIT (AP)—The Detroit Lions—armed with a surprise passing play that started as an end run and led to the National Conference championship—will try for the National Football League title Sunday.

The Lions, thirsting for a title for the last 17 years, probably will enter the game at Cleveland as favorites. Their opponents will be the Cleveland Browns, who'll represent the American Conference for the third straight year.

The game will be nationally televised but will be blacked out in the Cleveland area.

Beat Rams 31-21
Coach Buddy Parker's Detroiters reached pro football's biggest game by thumping the defending NFL Champion Los Angeles Rams, 31-21, here yesterday in a post-season game to break a first-place division tie.

The Lions' surprise weapon was a play used only twice. Each time quarterback Bobby Layne handed off to a halfback who raced wide as if to skirt the end. Ram defenders raced up to tackle the runner and suddenly the halfback unleashed a pass.

Two Other Reasons
The Lions will probably gain the favorite's role next Sunday for two other reasons besides their impressive victory before 47,645 fans in fog-wrapped Briggs Stadium and thousands of television viewers in the nation:

1. Coach Buddy Parker of the Lions has never lost to the Cleveland Browns in two exhibition games and one league game.

2. The Browns, always a favorite in previous NFL title games, are saddled by first-string injuries. Main worries are halfback Duke Jones and end Mac Speedie, who have twisted knees. They are expected to play some.

The witnesses said the ship was listing at a 20 degree angle, about 600 yards offshore, but that so far no attempt had been made to take off her passengers or cargo.

It was not immediately known how many passengers were aboard. The ship was bound from Alexandria, Egypt, to Beirut. HORNETS CLIMB ON VICTORY ROW

By The Associated Press
A victory a night seems to be the current success formula in the American Hockey League for the rising Pittsburgh Hornets.

The Hornets posted their third triumph in as many nights as they defeated the St. Louis Flyers, 5-2, last night, to climb into second place. Pittsburgh now trails the league-leading Cleveland Barons, by four points.

Goalie Gordie Bell turned in his fourth shutout of the season as the Syracuse Warriors blanked the Buffalo Bisons, 5-0. Referee Jim Primeau suffered a scalp wound in the third period and Bernie Lemaitre, one of the linesmen, took over his duties while Primeau received four stitches.

The Providence Reds snapped a five-game home losing streak by edging the Hershey Bears, 6-5. Ray Powell scored two goals for Providence and Dunc Fisher tallied twice for the Bears, who dropped to third place.

TURNER MEETS MICELI TONIGHT

PHILADELPHIA (AP)—Two of the nation's top welter-weights—Gil Turner of Philadelphia and Joe Miceli of New York—will clash at the Arena tonight in a 10-round fight that was twice delayed.

Turner, who was kayoed in an attempt to wrest the welter title away from Dick Gavilan here last July 7, originally was slated to meet Bobby Dykes a month ago.

After two postponements because of training injuries, Dykes bowed out of the picture and Miceli was brought in as a sub. Miceli was granted a delay for more training time and then a fourth postponement was granted Turner because of a chin cut sustained in training.

Turner's only two defeats against 32 wins were at the hands of Gavilan and Dykes. Miceli has 35 victories, 12 defeats and four draws. The fight will not be broadcast or telecast.

GOING TO COURT IN GRAHAM FIGHT

PHILADELPHIA (AP)—The co-managers of Joe Giardello plan to take the decision reversal of the Giardello-Billy Graham bout at Madison Square Garden last Friday night to court.

Carmine Graziano, one of Giardello's handlers, said here yesterday that he and co-manager Anthony Ferrante, had decided to test the reversal of the ring decision by Robert K. Christenberry, chairman of the New York Athletic Commission.

Giardello was awarded a split decision over Graham at the New York boxing center but Christenberry later shifted the scoring on one card and gave the verdict to Graham.

In New York, Christenberry said consideration is being given to possible changes in the current method of scoring fights. One plan now being examined, he said, would have a third judge at ringside replacing the referee. Under the present setup, a New York fight is judged by two judges and the referee on a round-by-round basis.

EXTRA HUNTING SEASON OPENS

HARRISBURG (AP)—Many Pennsylvanians today had their first chance to hunt small game in the state during December as a precedent-setting five day special open season started.

Extension of the regular small game season, normally running through the month of November is a make-up session. The beginning of the regular season was delayed about two weeks when woodlands of the state were closed because of their tinder-dry condition.

Legal hours are 7 a. m. until 5 p. m. today, tomorrow, Wednesday and Friday and Saturday. Hunting is prohibited Thursday, Christmas Day.

Species open during the extension are rabbit, squirrel (gray, black, and fox) ringneck pheasants (male only); and grouse. Wild turkeys and quail are not included in the extension.

Bag limits as well as other regulations are the same as those in effect for the regular shoot.

FOUR DISTRICT SCHOOL CHAMPS ARE UNBEATEN

SCHOLASTIC ROUNDUP
By DICK HOENIG

HARRISBURG (AP)—Four district champions have launched impressive drives for 1952-53 honors during the first three weeks of exhibition schoolboy basketball.

Only these four, among 11 quintets crowned Class A titlists last spring, have been able to maneuver through pre-league campaigning without losing—so far. Two of the four, Coatesville and Punksutawney, have registered six wins. Farrell's state champions and Westmont have taken four out of four.

Coatesville's Red Raiders, with five veterans back from the squad that lost out to Farrell in the PIAA finals last March, just escaped their first loss Friday, by beating Chambersburg of the South Penn. 58-57. The Raiders, led by Jim Lopp and Rod Perry, two six-foot sharpshooters, conquered Allentown Central Catholic, 69-62, earlier in the week. They are defending District 1 champions.

Wins Six Games
Punksutawney licked Shannock Valley, 59-39, Tuesday and then Indiana, 41-35, Friday for number five and six. The Chucks, District 9 ruler, run into a real test—Farrell—in their next game Dec. 30.

Also riding high in initial warm-ups are Westmont, District 6, with a 55-49 victory over Johnstown for number four; and Farrell. The state champs from District 7 got past Washington, 42-40, and Youngstown (O.) South, 55-46, during week to turn their record to 4-0.

One defending district titleholder, Somerset of District 5, has lost four games. Another, District 2's Swoyersville, has dropped three.

Last year's prize winner in the North Schuylkill league of District 11, Ashland, has one of the best logs in the state at this point, some two weeks before most of the conference races start. Ashland defeated Mahanoy Township and Butler Township to run their string of successes to seven in a row.

Leaders' Records
Here's how the leaders shape up: District 11—Defending champion Catawissa got two victories to up its record to 3-2. Hazleton is unbeaten in five outings while Bethlehem has won four straight. Allentown's first loss, to Norristown, is balanced by four wins.

District 1—Trailing Coatesville are two perennial powers, Punksutawney (6-0) and Norristown (5-0). District 2—Swoyersville, 1951-52 district winner, has beaten only Wyoming in four games. Kingston lost to Allentown, 74-50, for its first defeat in five games.

District 3—Gettysburg and Shipensburg of the South Penn have the best records, each four straight. Defending title winner Reading lost to Bethlehem while winning two.

District 4—Williamsport, district champ, has been beaten by Kingston while losing to Stoney Creek, Westmont, Windber, and Allegany (Md.).

Westmont Wins Four
District 6—Westmont, best last year, has won four without a setback, including a 55-49 decision over strong Johnstown Catholic. Other leaders are Johnstown (5-0) and Johnstown Catholic and Windber, both 5-1.

District 7—Three WPIAL Class A teams are riding five game win streaks—Greensburg, Sharon and Beaver Falls. New Castle dropped one to Sharpesville in six tries.

District 8—Pittsburgh Westinghouse, defending champ, doesn't have a victory in three starts.

District 9—Clearfield is keeping up with Punksutawney, downing five foes in succession.

District 10—Erie Tech and Corry (both 4-0) have the best legs. Meadville, defending district champion, has been beaten twice in rack-

ing up three wins.

Carlisle Hopeful Of Best League Cage Season Since 1937; Four Veterans Remain

CARLISLE—Carlisle High School, starting its second basketball campaign under the direction of Gene Evans, former Dickinson College star, is looking forward to its finest season since 1937.

The Green and White, fortified with four regulars from last year, could easily be the "dark horse" in the conference grind which gets under way early next year.

In Phil Bensing, 6-2 forward who has an uncanny eye, Carlisle has one of the best looking players in the league and certainly the finest Green and White all-around courtman in more than a decade.

Bensing is outstanding in his floor work, he works the pivot exceptionally well and he's the best-around "shot" in the past 15 years at Carlisle.

The rangy Bensing is a good set shot and his one-handed push has the accuracy of a fine marksman.

To back up Bensing the Thundering Herd has the ever dependable Dick Cypress, the football wizard who is the club's best set shot artist and also the team's outstanding defensive player with his ever ball-hawking tactics.

Dick Smith, the other half of Carlisle's one-two offensive punch in football last season, isn't exactly a basketball player with finesse but he has been a steady, reliable guard since he landed a varsity job last year.

Help From Dixie
The other regular from a year ago, a football player like Bensing, Cypress and Smith, is Fred Brumbaugh, a guard who stands 6-1 and is better than average in high school circles.

The fifth starter is Buck Bonifay, a promising player who comes from Dixie, Bonifay, whose father is with the Army War College at Carlisle Barracks, towers 6-2 and carries 175 pounds on his "string-bean" like frame. If the former Florida High School ace comes through, Evans is anticipating a splendid season for the Thundering Herd.

Front-line substitutes will be Joe Mihalik, Del Lincoln, Bob Delaney and Jim Lohrhop, all four of whom have shown considerable promise and may give the starting five a stiff fight for varsity assignments.

Light's Tree Aboard Ship
NAPLES, Italy (AP)—A Navy captain from Mt. Carmel, Pa., threw a switch here Saturday, illuminating a huge Christmas tree aboard his ship, the USS Adirondack.

A large cross and star, visible in almost every section of the city, were also lighted by Capt. William D. Irvin. The ship's crew also played host to 80 Italian orphans.

TWO SHOT AT TURKEY SHOOT

McCONNELLSBURG, Pa. (AP)—A 63-year-old Big Grove Tanner man faced charges of assault with intent to kill today in the pistol wounding of two men at a turkey shoot.

Pvt. Henry Stabler of the state police said the man, Benjamin Harrison Howell, was found in the woods last night with a superficial pistol wound in the head, apparently self-inflicted.

Howell was treated at the McConnellsburg Medical Center and then removed to the Fulton County Jail. Stabler said he would file a charge of assault with intent to kill against Howell.

Argument At Shoot
Stabler gave this account of the shooting:

Howell and Merrill Hopkins, 29, got into an argument during a turkey shoot on the nearby Marshall Keefer Farm. Howell fired a pistol but the shot went into a crowd of men standing nearby, wounding Walter Marshall in the face.

A second shot struck Hopkins in the left arm near the armpit. The elderly man fled into the woods. A searching party found him moaning and in a semi-conscious condition six hours later.

Stabler said the cause of the argument was yet undetermined.

Marshall was admitted to the Medical Center for treatment. His condition is not serious. Hopkins underwent an X-ray examination at the nearby Chambersburg Hospital and was discharged.

Today's Talk

SO-CALLED "SELF MADE"
There are those who like to boast that they are self-made. None of us are self-made! We are largely made through the example and kindly aid of others. We are in fact a part of all whom we have met. Scores and scores of other people contribute to the make-up of us all.

I once heard the address of a noted scientist who came to America as a poor immigrant. He said he long had dreamed of coming to the America of Abraham Lincoln and that that life had inspired him more than any other single life. How very true it is that we are largely other-made. And we should be proud of the fact that there are so many from whom we have been privileged to learn.

My father's salary was so small that my four sisters and myself had to work our way through High School and College. We each accepted the situation without complaint. It was fun being on our own, as the saying goes. We never expected aid outside that which we gladly earned. People whom I admired were an example to me—my friends, teachers and parents. The idea that anyone owed me anything was put out of my mind. I felt I owed the world something for being here, with so many blessings and opportunities that were mine, and without cost excepting as I earned them.

The influence of others has always been the controlling factor in the rise and success of those who have stood apart as useful human beings. Knowing newspaper publishers as I do, I have been inspired to note that many a one once sold the newspaper that he later published, was once a newspaper boy for that paper. Those people who gladly bought that newspaper from the newsboy contributed to his later success.

Those who have contributed to our success and happiness are so numerous we could not possibly make an estimate of the number. Every day of our lives someone helps to make us what we are! And it is a pleasant thought that we help make others, in a way and manner that we never suspect. Self-made? How fallacious! We are other-made. We are but a medium.

Tomorrow Mr. Adams will talk on the subject: "Something to Do."

GOSSIP AT BETHLEHEM
Just as the women talk today
When bits of news are bought to them.They must have talked the self-same way
That Christmas morn at Bethlehem."A couple in a serious plight,
Hungry and tired and travel-worn,
Were sent to the stable for the night
And in a stall a child was born.""I've seen the mother where she lies
On straw, spread thickly on the floor,
But there was something in her eyes
Which I have never seen before.""She seemed so radiant when she smiled,
As if some secret deep she knew;
A happy mother with her child,
And strangely she had callers, too.""While I was there some shepherds came
Who said they'd journeyed from afar
To see the child and praise his name,
Led to the stable by a star.""I'm wondering how could it be
Shepherds would leave their flock
Of sheep
And walk to Bethlehem to see
A baby in a manger sleep?"

Santa and the PIRATES
AP Newsfeatures
Lucrece Hudgins BealeCHAPTER XIV
The Duel

Prince Jonathan leaped to the deck of the ship. Captain Longhair advanced slowly towards him. He drove his long and deadly sword again and again at the heart of the Prince. But each time the boy danced away.

The pirates and Santa Land folk watched the duel with anxious hearts. They knew that the fate of them all depended on the winner.

Prince Jonathan darted tirelessly around the Captain. Whenever the pirate thrust his sword, the Prince leaped aside and lashed out with his own short dagger at the pirate.

But it was hopeless fight. Captain Longhair had fought hundreds of duels. This was the first the Prince had fought. Twice the Captain scratched the boy's cheeks and once his sword ripped the boy's shirt from his back.

Steadily the pirate pressed forward until the Prince was backed against the mast. He twisted from side to side but he could not escape the pirate.

"Now I have you!" cried Captain Longhair.

But at this moment a gust of wind blew across the deck. It swept the pirate's long, red hair across his eyes. He lifted his hands to brush the hair away. In that moment Prince Jonathan lunged forward and with one desperate slash, cut eight inches from the pirate's long, red bangs.

Captain Longhair howled with anger. Prince Jonathan darted under his arm and raced across the deck. When he reached the cabin he turned with his back to the

wall and faced the charging pirate. But as the Captain gave a mighty thrust the Prince ducked and the sword stuck deep in the wood of the cabin. As Longhair struggled to free his sword the boy reached out and slashed the long, red hair from the pirate's head.

Longhair freed his sword but at this moment the Prince leaped on his back. He wrapped his legs around the pirate's waist and held his dagger at the pirate's throat. "Give up!" cried the Prince. "Or die!"

The pirate could not strike behind him with the sword. He could not duck away. He was helpless. He threw his sword to the deck and burst into tears.

How the Santa folk cheered! They bandaged Jonathan's wounds and called him a hero. Santa smiled down at the defeated Captain who sat weeping on the deck. "Why cry?" asked Santa. "You have lived to fight another day."

"I shall never fight again," moaned the Captain. "For I have lost my bangs and I have lost my hair. Without them I am a joke and will be laughed at by all the pirates on the seven seas."

Truly he made a sad picture with his shorn hair. Never again would the mere sight of him frighten all who saw him.

"The boy might as well have struck me through the heart," said the Captain. "For I have no other way to make my living except by piracy."

Santa said "We could use you in Santa Land?"

"What could I do?" sniffed the Captain.

"You would be in charge of all pirate toys—pirate stories, pirate costumes, pirate flags, and pirate weapons. We get a great many requests for such things at Christmas time."

Captain Longhair beamed. "I'll do a good job!" he cried.

But the Captain's men scoffed at such a future. "Please, your majesty," they said to the Prince.

WATERFRONT BOSS NABBED IN CRIME PROBE

NEW YORK (AP)—A prosecutor's talk of further criminal action in the state waterfront probe echoed along the city docks today following the arrest of the AFL longshoremen's boss in Lower Manhattan.

Dist. Atty. Frank S. Hogan using New York State Crime Commission testimony to help chart his way through the maze of rackets which cost the seven billion dollar shipping industry here an estimated 350 millions annually.

Hogan sailed into the waterfront rackets tempest yesterday with his announcement of the arrest on extortion charges of Michael Clemente, a 44-year-old ex-convict official of the AFL International Longshoremen's Association and often described as the "lord" of Downtown Manhattan's docks.

Arrested with Clemente was one of his union associates, Alexander Cosmos, 43, of Rutherford, N. J.

A grand jury indictment accused Clemente and Cosmos of extorting \$2,500 from the John W. McGrath Corp., a stevedoring firm, between July 1 and Dec. 15, by threatening "trouble" if McGrath did not employ a hiring boss of their choosing. Both were charged with extortion, coercion and conspiracy.

He was seriously but not critically injured.

Load Not Unusual

The 116 men in the giant twin-decked plane was not unusual, Air Force officials said. They told of tests in which 160 men with 100-pound packs have flown in C124s without overloading.

Rep. Edith N. Rogers (R-Mass) asked the Air Force to ground the transports until the accident causes can be determined. Servicemen, she told Secretary of Air Finletter, "should not be crowded into one large airplane like cattle."

Sen. Stennis (D-Miss), a member of the armed services committee, called for a full report on Globemaster crashes to the committee.

There will be four masses on Christmas Day at the local Catholic church, according to an announcement by the Rev. Philip J. Gergen, pastor. The first will be the traditional midnight mass at one minute after midnight. This will be a solemn high mass with the music provided by the regular church choir with Miss Maria Noel presiding at the organ. Christmas music will be played by Miss Noel for a period preceding this mass. Father Gergen requests that parish children do not attend mass at this time but that they be present at the children's high mass at 9 a.m. when the children's choir will sing. Two low masses, one at 6:30 a.m., the other at 8:15 a.m., will also be celebrated. The Rev. J. L. Tyne of the Jesuit Order will spend Christmas at the local rectory to assist with the Christmas services and will also assist Father Gergen with the hearing of confessions Christmas Eve.

BREAK IN GAS LINE CHILLS CITY OF 80,000

ST. JOSEPH, Mo. (AP)—A pre-Christmas chill enveloped this Northwest Missouri city—and for some of its 80,000 residents there may be at least three more shivering days ahead.

It was brought about by a break in a natural gas supply line. The break Saturday shut off the entire city's gas supply. That affected about 14,000 out of the 25,000 homes, plus 1,500 businesses.

Below Freezing

And brother, the temperatures have been plenty "chilly" — below freezing most of the time. Today the city got sleet and snow, further handicapping the gas company's efforts to restore service.

It took only a few hours to repair

the break, but here's the rub:

Every meter in the city must be sent flowing through the lines turned off manually before gas can again. Then every meter has to be turned on again. As a safety measure, the gas company has its own employees or plumbers doing the meter job rather than leaving it to the home owners.

Although gas was back in about 100 homes last night, a company official said the full supply may not be restored for the entire city until at least Christmas.

Those whose houses were heated with gas either bundled up in heavy clothing or moved in with friends having oil or coal heating equipment.

You could hardly find an electrical heating appliance in any of the stores. There was a run on them shortly after the break.

One man borrowed a plumber's furnace which burns gasoline and is used to heat lead. He set it up in his living room and found he could keep two rooms warm.

To prevent freezing of pipes,

SAY PERPETUAL MOTION IDEAS CAME IN VISIONS

PLANADA, Calif. (AP)—Two ama-

some persons let water run continuously from their faucets.

The fire department answered several alarms at houses where fireplaces or temporary heating devices got out of hand.

Downtown hotels were sold out. The heart of the business district is heated with steam.

The St. Joseph News-Press and the Gazette, evening and morning newspapers, found themselves without typesetting facilities when the gas supply went off. Fifteen of the typesetting machines use gas to melt the lead for type. So containers of bottled gas were obtained as a temporary measure and the newspapers went to press.

teur inventors are working on an idea which physicists say won't work—perfection of a perpetual motion machine.

Both men have pinned their hopes on a basic principle: A wheel 24 feet in diameter. But their plans differ in other respects.

Physicists say no machine can resist the force of friction without eventually stopping.

Charles Spurlock, 38, a lumber dealer, said the inspiration came from the first 12 chapters of Ezekiel in the Bible.

Based on Visions

Arthur Roach, 68, a rancher, said his blueprint is based on three visions he had 29 years ago while recovering from pneumonia. He said the machine would be ready within 60 days.

Spurlock said he would unveil his device Christmas day. He said he had spent \$3,000 on his all-steel machine and asserted it would generate 35,000 horsepower.

Roach said he, too, noted construction details in Ezekiel, but declared the Biblical specifications

In June, 1951, Mr. Kain was one of eight men who received the degree of Doctor of Laws from Gettysburg College. The degree was conferred exactly 54 years after the date of his commencement at Gettysburg. There is a third Kain son, Richard, author and educator, of Louisville, Ky. He will attend the banquet.

EISENHOWER TO SEE COMMITTEE ON RED DANGER

NEW YORK (AP)—President-elect Dwight D. Eisenhower meets today with four key officials of the new administration and representatives of the Committee on the Present Danger.

The committee was created two years ago to help alert the nation to the threat of communism at home and abroad, and to spur military preparedness.

An organization with about 50 members throughout the country, the committee is headed by Dr. James B. Conant, president of Harvard University.

Other committee members who will attend today's conference are John Foster Dulles, named for secretary of state; Harold E. Stassen, who will be director of mutual security in the new administration

Gen. William J. (Wild Bill) Donovan, chief of the World War II Office of Strategic Services, and Tracy S. Voorhees, New York attorney.

Herbert Brownell, attorney general-designate, and Roger M. Kyes, appointed deputy secretary of defense last Friday, also will sit in at the session. Kyes will represent Charles E. Wilson, who will be secretary of defense.

The President-elect took time out from a planned week end of rest yesterday to confer for two hours at his Columbia University residence with a committee he recently named to study and streamline organization of the executive branch of the government.

Distinguished Group

The committee is working with Temple University personnel who are making a special survey in that field.

Those named by Eisenhower who met with him are Nelson A. Rockefeller of New York, former assistant secretary of state and co-ordinator of inter-American affairs; Dr. Arthur S. Flemming, president of Ohio Wesleyan University; and Dr. Milton Eisenhower, president

"Plushness, Frills" Scored By Probers In Military Spending

WASHINGTON (AP)—House investigators, saying many military installations are too plush, suggest the armed forces are capitalizing on the Korean War to wheedle money from Congress for construction that isn't really needed.

A House expenditures subcommittee, after an investigation of 15 major U. S. bases, said in a report released yesterday that it had found evidence of waste, extravagance, "plushness," unnecessary "frills" and improper planning.

The report specifically mentioned of Pennsylvania State College and a brother of the general.

Also present were Joseph M. Dodge, Detroit banker who is serving as Eisenhower's pre-inauguration representative in the Budget Bureau; Gov. Sherman Adams of New Hampshire, assistant to the new President; Arthur H. Vandenberg Jr., his executive assistant; and John French, the committee attorney.

Leister, church organist, will preside at the console for the musical. The cantata will include the following selections: "Hark, What Mean Those Heavenly Voices," by the chorus and women's chorus; "How Beautiful on the Mountains," baritone recitative, Stewart N. Long; "Break Forth Into Joy," chorus, soprano solo, Miss Joan Koonz and baritone solo, Mr. Long; "His Name Shall Be Called Emmanuel," alto recitative, Miss Marilyn Spangler; "The Spirit of the Lord," tenor solo, Mr. Long, and chorus; "Star of the East," tenor solo, Mr. Long and chorus; "And There Were Shepherds," soprano solo, Miss Koonz and chorus; "And Suddenly There Was With The Angel," soprano recitative, Miss Jean Morehead; "Glory To God In The Highest," chorus; "Cradle Song," contralto solo, Mrs. Pauline Keefer, and chorus; "Let Us Now Go Even Unto Bethlehem," baritone solo, Mr. Long, soprano solo, Miss Koonz, men's chorus and chorus; "Calm On The Listening Ear of Night," soprano solo, Miss Morehead; "Arise Shine," chorus and "Come and Adore Him," by the chorus.

The members of the Junior choir will sing two offertory selections, "Christ Is Born of Maiden Fair," Mackinnon, and "The Christmas Candle" by Bitgood.

Immediately following the cantata and candlelight service, with the congregation participating in the latter, the members of the Junior choir and Senior choir will go Christmas caroling in the community.

The Senior choir is composed of the following: Altos, Marilyn Spangler, Patricia Spangler, Pauline Keefer, Elizabeth Ann Crouse, Susan Hankey, Diane Stambaugh, Bernice Currens and Shirley Crouse; sopranos, Joan Koonz, Mary Lou King, Barbara Swam, Susan Jacobs, Nadine Crouse, Diane Cornell, Dorothy Applier, Nancy Crabbs, and Jean Morehead; tenors, Stewart Long, Kenneth Kroh and Ferree LePevre; basses, Robert Thomas, Robert Miller, Fred Miller, Harold Sents and the pastor, the Rev. Frank E. Reynolds.

Nine Cuban Officers Freed For Christmas

HAVANA, Cuba (AP)—The Cuban Navy announced today that nine retired officers accused of plotting an armed revolt against President Fulgencio Batista have been released from military prison but still are under house arrest.

The announcement gave no reason for their release but presumably it was to let the men spend Christmas with their families. They are to be tried later by a Navy court.

The Navy men, including three top commanders, had been dismissed from service soon after Batista overthrew the government of Carlos Prio Socarras last March. They were arrested Saturday night a few hours after police in Mamaroneck, N. Y., seized a store of arms there that they said were to have been used in a "Christmas revolt" in Cuba.

Cuban officials did not indicate whether there was any connection between the two incidents.

AVERTS PANIC IN THEATER BLAZE

PITTSBURGH (AP)—Fire Chief M. F. Schulte of suburban Carnegie credited the 45-year old projectionist of a theater with averting a disaster during a quick-spreading fire which destroyed a three-story building occupied by the Louisa Theater.

More than 200 patrons, mostly children, were attending a matinee yesterday when John Stanton saw smoke curling from the ceiling. He stopped his projection machine, turned on the lights and told the audience:

"There is no reason to be alarmed—just walk out quickly—don't run—and stay out until we're sure everything is all right."

The fire, which caused damage estimated by Schulte at more than \$150,000, gutted the building. The top floors were occupied by bowling alleys.

One of Stanton's four children, Robert, 8, was among the theater patrons. His father's first act, after clearing the theater, was to call home for assurance of his son's safety.

"over-elaborate construction" it said the watchdog group found at limestone Air Base Force in Maine. McClellan AFB, Calif.; and Kelly AFB Tex.

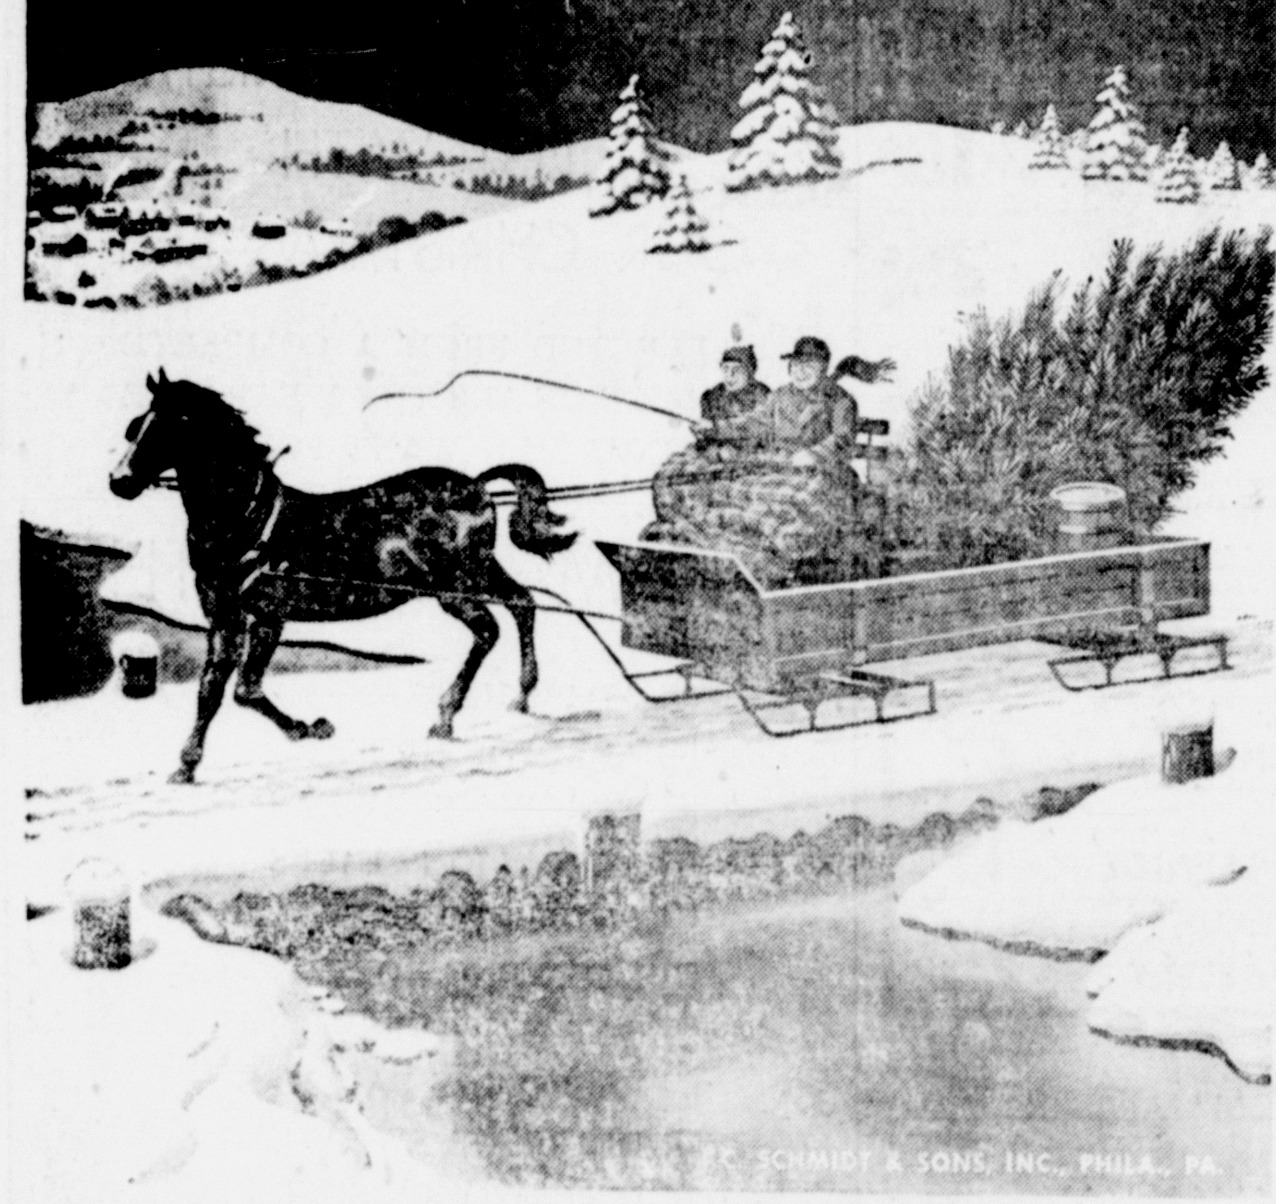

The subcommittee, headed by Rep. Hardy (D-Va.), said in some cases the services have shown "haste and anxiety" to replace usable temporary structures with new buildings, and that interservice rivalry for new buildings has "overshadowed the desire to get the most defense for the least cost."

MIDNIGHT MASS
ON XMAS MORN
IN ST. ALOYSIUS

The annual midnight mass will be celebrated in St. Aloysius Catholic Church on Christmas at 12:01 a.m. The pastor, the Rev. Fr. Edward J. Shanahan, will also celebrate masses at 7:30 and 9 a.m. on Christmas morning. All priests are permitted to say three masses on Christmas Day. It was previously announced that the third mass would take place at 8 o'clock. Father Shanahan will hear confessions on Tuesday morning prior to the 7:15 mass and on Wednesday morning prior to the 8 o'clock mass. For the convenience of those members of the congregation who can not go to confession at any other time, he will hear on Wednesday from 12 to 12:30. Confessions in the afternoon will be held from 3 to 5 p.m. and in the evening from 7:30 to 9 p.m.; also prior to the 7:30 and 9 o'clock masses on Christmas. Mass on Friday and

Saturday mornings will be at 8 o'clock. Father Shanahan read a pastoral letter with regard to the annual Christmas custom of a day of prayer on the last Sunday of the year, in the Catholic churches of the United States, in sympathy for and as a petition for the thousands of persecuted people in the Iron Curtain countries and in the Orient. There will be exposition of the Blessed Sacrament all day next Sunday, so that the faithful may visit the church and offer their petitions and the day's prayers will end with a Holy Hour.

JAP CHEMICAL
PLANT RAZED
BY HYDROGEN
BLAST; 15 DEAD

NAGOYA, Japan (AP)—A thunderous blast of exploding hydrogen leveled a chemical fertilizer plant here today, killing at least 15 workers.

Police, still digging through the ruins, said five persons were missing and 370 injured, 70 critically.

Their search for bodies dropped their figures from earlier reports of 30 killed and 550 injured.

The explosion shook the city like the well-remembered B29 raids of World War II. It stripped the concrete away from the steel framework of the new building and sent it hurtling through the air.

Poison fumes from the released chemicals forced police, firemen and U. S. Air Force volunteer workers to don gas masks.

NAGOYA, Japan (AP)—A shattering hydrogen blast that rocked Nagoya like a wartime bombing killed up to 30 persons and injured about 500 today. Scores are missing. Police said 150 of the injured are in critical condition.

Hours after the explosion, police in gas masks, firemen and U. S. Air Force volunteers toiled in clouds of ammonium fumes, digging out victims.

The violent blast ripped apart the main works of the Toa Synthetic Chemical Company, one of Japan's major producers of chemical fertilizer.

14 Millions In Damage

Homes and stores in a radius of several blocks were badly damaged.

The explosion demolished the new ferro-concrete building that housed part of the factory's ammonium sulphate plant. Damage was estimated at 14 million dollars.

Authorities who launched an immediate investigation said the blast may have been touched off by a spark in a hydrogen tank where ammonium sulphate is extracted from a liquid chemical.

Half Acre Blasted

The company's president, Ikoma Nonaka, said the whole factory

system probably would have to be closed.

There was no fire of any proportions, however, Nagoya firemen said.

Police estimated the area of total

destruction of 21,000 square feet, or about half an acre—including

the concrete building, a number of outlying buildings, and stores and homes in the neighborhood.

Money made of sea shells formerly was used in America, Asia, Africa and Australia.

LIONS PARTY SET FOR WEDNESDAY

The annual Christmas party sponsored by the Emmitsburg Lions Club, merchants and patrons will be held Wednesday. The affair will begin with a free movie for the children at the Gem Theater at 11 a.m. Immediately following the movie a free lunch will be served at the Fire Hall by the Emmitsburg Homemakers Club.

Santa Claus is expected to arrive at the Square about 2 p.m. where he will distribute candy and oranges to all the children. Unlike other years, the Santa Claus parade will

be led this year by the Municipal Band. The parade will form at the west end of town and will proceed down Main St. to Broad Alley, up Broad Alley to De Paul St., down to Seton Ave. where it will turn left and go down to the Square.

Christmas music for the celebration will be amplified by Ralph McDonnell on the square and from the Lutheran Church.

Devotions In Churches

Local churches will hold special devotions, starting at 7:30 p.m. in the Reformed Church. The annual candlelight service will be held at the Lutheran Church from 11 p.m. to 12 p.m. Midnight mass will be celebrated in St. Joseph's Catholic Church.

Pvt. Robert E. Shorb, who had been stationed at Fort Belvoir, Va., is spending a furlough at the home of his parents. At the termination of his leave, January 2, he will

report to Camp Kilmer, N. J.

Mrs. Charles Shorb and infant son were discharged from the Warner Hospital on Saturday.

Concert Next Sunday

Mr. and Mrs. Paul Virbal, Baltimore, visited over the weekend with Mrs. Virbal's parents, Mr. and Mrs. Frank Fitzgerald.

Pauline Rosensteel, Baltimore, spent the weekend with her mother, Mrs. Laura Rosensteel.

Daniel Saffer, Baltimore, visited with his parents, Mr. and Mrs. John Saffer, over the weekend.

The infant son of Mr. and Mrs. Charles Shorb was baptized on Sunday afternoon at St. Joseph's Catholic Church, by the Rev. Michael O'Brien, assistant pastor. The sponsors were Allen Stoner and Barbara Rosensteel, cousins of the infant. The baby received the name Patrick Topper.

visited with her parents, Mr. and Mrs. Clarence Sanders, over the weekend.

The first formal concert of the season will be held by the Emmitsburg Municipal Band on Sunday evening, December 28, at 8 o'clock in the new auditorium of the Emmitsburg High School. No fixed admission will be charged but offerings will be accepted.

An affiliate of the American Broadcasting Company, station WSBA-TV beamed the first test patterns for an hour and 34 minutes early yesterday. Later the pattern was run again for three hours starting at noon.

While the York station is the first on the air, station WFFG-TV in Atlantic City, N. J., hopes to be the first to send regular programs. Officials of the station wanted to send their test pattern Saturday but were delayed by transmitter trouble. They finally succeeded on the air yesterday and hope to transmit programs starting at 5 p.m., EST, today.

Two other stations picked up their equipment the same day as the York and Atlantic City stations from the Radio Corporation of America plant at Camden, N. J. Stations WBRE-TV of Wilkes-Barre, Pa., and WSBT-TV of South

Says State Debt Worst In Nation

HARRISBURG (U)—Arnold L. Edmonds, research bureau manager of the State Chamber of Commerce, believes Pennsylvania is deeper in the hole financially than any other state.

In an annual report made over the week end Edmonds placed the record high state debt at 654 million dollars, including indebtedness of the General State Authority and the Highway and Bridge Authority. Edmonds predicted the figure may hit the 700 million mark with further expansion of the two building authorities already authorized by the legislature.

Bend, Ind., hope to be in operation shortly.

To Change Security Program At Prison

HARRISBURG (U)—The administrative and security program of the Western State Penitentiary at Pittsburgh will be revamped under a plan announced by the State Welfare department.

Eight prisoners escaped from the institution Nov. 30 in a mass break.

"Upon completion of our investigation, such steps as may be necessary will be taken to prevent a recurrence of a similar incident," said William C. Brown, State Welfare department.

U.N. ASSEMBLY REJECTS USSR POW CHARGES

By FRANCIS W. CARPENTER
UNITED NATIONS, N. Y. (AP)—A weary United Nations Assembly early today turned down a bitter Russian demand for condemnation of the United States for the alleged mass murder of Red prisoners on Pongam Island in Korea.
Immediately after—at 4:45 a.m.—the Assembly adjourned until Feb. 24, after the inauguration of U. S. President-elect Dwight D. Eisenhower.
Red-eyed after a tense all-night debate, Assembly delegates voted 45 "nays" to 5 Soviet bloc "yeas" against the Russian proposal. Ten members of the Arab-Asian bloc abstained. The other three in that group — Iraq, Lebanon and Thailand — voted against the Soviet move.
"Shabby Stunt"
The Soviet bloc gained no support outside of its own tight little group for the resolution, which was denounced by U. S. Delegate Er-

nest A. Gross as a "sickening" and "shabby midnight propaganda stunt."
Gross, replying to charges launched at midnight Saturday by Soviet Delegate Andrei A. Gromyko said the riot on Dec. 14 in which 87 persons were killed was engineered to help the Kremlin cover up the fact that "the aggressors and their sponsors have rejected peace in Korea." He said the guards fired at the rioting Reds to quell them and to avoid greater casualties.
Gross referred to the blunt rejection by the Communists of the Indian peace plan approved by the General Assembly Dec. 3 by a vote of 54 to 5 (Soviet bloc) with Nationalist China abstaining.
"Poisonous Propaganda"
"The Soviet government," Gross said, "may now recognize the mistake it made in so brutally rejecting the Indian resolution for peace in Korea and in so contemptuously flouting the will of the United Nations."
Selwyn Lloyd, British minister of state; Henri Hoppenot, France; Selim Sarper, Turkey; Alexis Kyrkou, Greece; David Johnson, Canada, and Leslie K. Munro, New Zealand — whose countries have troops fighting in Korea—assured Gross they were standing with him in indignant repudiation of the So-

East Berlin

EAST BERLIN—The York chapter, Knights of Columbus, will present its annual Christmas entertainment for the boys of Paradise Protectory Sunday afternoon with a movie at the Protectory auditorium, a treat and a gift for each boy.
In the evening the children of families of Paradise Catholic Church held their annual Christmas party, with parents present, in the church social rooms, with the National Council of Catholic Women as hostesses.
Miss Margaret Ann Moul, daughter Mr. and Mrs. George W. Moul, arrived Thursday from New York City to spend the Christmas season with her parents. Miss Moul is studying voice at the Juilliard School of Music and has made her home in New York since early September.
Mr. and Mrs. W. Lewis Kroft and children entertained at their home last week his brother, Carl, with his wife and children from near Dover and Mr. and Mrs. Bernard Glass and two sons, near Thomasville.
Mr. and Mrs. Robert H. Alwine, formerly of here, with their son and daughter, Ronald and Joyce, and another son, Clair, and his wife, all of the Hanover area, visited during the week in this section.
Because so many of the children of the primary department of the viet tactics and allegations. Lloyd said it "is a matter of bitter regret on the eve of Christmas to have this poisonous propaganda injected here." He expressed confidence in the U. N. Command in Korea.

Russian Charges
Gromyko said the International Red Cross report on last spring's prison outbreak at Kojie Island criticized the U. S. for using weapons against rioting prisoners. He said use of force against the prisoners was part of an American scheme to coerce prisoners into saying they did not want to go home. Those who refused, he added, were brutalized.
Gromyko charged that in May, 1951, the U. S. shipped 1,400 Chinese and North Korean prisoners to the U. S. to serve as "guinea pigs in atom experiments;" that on May 10, 1952, American hangmen gouged out the eyes of 18 prisoners, and that on May 30, 1952, the U. S. burned 800 prisoners alive in flame-thrower experiments.
The Ladies Aid society of the local Lutheran church has also chosen its officers for the coming year. They are: President, Mrs. Glenn C. Cashman; vice president, Mrs. Paul E. Jacobs; secretary, Mrs. Raymond H. Fissel; assistant secretary, Miss M. Grace Stambaugh; treasurer, Mrs. John Gentzler, and assistant treasurer, Miss Beulah E. Wentz.
L. L. King has been elected superintendent of the Franklinton United Brethren Sunday school, with Paul Wehler as his assistant. Secretaries are Lloyd Heiges and

Jay Cook, with their assistants, Donald Wonders and Paul Smith. Mrs. Chamer Baker is treasurer; Beverly Wonders, pianist, and her assistant, Judy Nesbit. Mrs. Wonders will be chorister with Mrs. Milton Sheffer as assistant and Judy Farrence and Arlene Coulson will serve as librarians for the coming year.
Mrs. Lloyd M. Lerew has returned to her home near Bermudian after submitting to an operation at the Carlisle Hospital.
A flannelgraph story "Why the Chimes Rang" was a feature of the annual Christmas program presented by the Morning Hour Sunday school at Victory schoolhouse Sunday at 7:30 p.m.
Mr. and Mrs. W. Archer Hess near Victory schoolhouse became the parents of a daughter December 15 at the Hanover Hospital. This is their sixth child and third daughter. The family are former residents of Maryland, but have lived in this section about eight years.

BORDER PATROL

MAKES ARREST

SHARON, Pa. — Agents of the Pennsylvania Liquor Control Board stepped up their campaign today to keep Pennsylvanians from bringing liquor into the state from Ohio.

The first arrest along the Ohio reported. Agents said they caught George Wansor, 35, of Sharon with 30, fifths of whisky bought in Ohio.

He was freed on \$500 bond pending a hearing Jan. 7. The whisky and his auto were confiscated.

In Harrisburg, Liquor Control Board Chairman Frederick Gelder said the action at Sharon was part of a continual operation on all borders. He added several persons have been arrested on charges of transporting New Jersey liquor into Philadelphia.

Agents said the desire to buy liquor for the holidays at cheaper prices in other states is prompting many Pennsylvania residents to violate the law. Whisky costs about \$2 per bottle less in Ohio.

REFORMED S. S. PROGRAM GIVEN

The children of the Sunday School of Christ Reformed Church presented their annual Christmas program on Sunday morning, during the worship service, instead of having the program in the evening as previously scheduled, due to the threatening weather.

The terms of some of the elders, deacons and trustees of Christ Church expired and the following were elected Sunday: Elders, Harry C. Wildasin and Clair R. Markle; deacons, Mervin K. Myers, Alvin C. Gerrick and Lester H. Hiker; trustees, Stanley R. Sell, Lavere G. Mummert and Paul J. Mummert. John N. Sell, Noah V. Brown, Lewis E. Bair and Donald L. Berwager served as ushers at the Sunday worship service.

The bulletin was presented in honor of the 26th wedding anniversary of Mr. and Mrs. Stanley R. Sell, by their children, Kenneth, Pearl and Dean. The altar flowers were given by Mr. and Mrs. Earnest M. Brown in honor of their 30th wedding anniversary, which they observed on Dec. 19.

The following announcements were made by the pastor, the Rev. G. Howard Koons: Sunday, Dec. 28, 10:30 a.m., preparatory service; Dec. 28, 2 p.m., the Christian Endeavor Society will sponsor a Christmas service at the Adams County Home, near Gettysburg. Members and friends of the church are invited to attend this service. Wednesday, Dec. 31, the financial books of the church for 1952 will be closed. Sunday, January 4, 10:30 a.m., Holy Communion service.

Class Holds Election
 The catechetical class of Christ Church conducted election of officers recently. Those selected for offices follow: President, Robert C. Markle; vice president, Jane E. Weikert; secretary, Mary E. Hahn; assistant secretary, Joan E. Bair; treasurer, Larry L. Unger; assistant treasurer, Donald L. Warner. The catechetical class will not meet during the holidays and the next regular session has been scheduled for Saturday, January 10, 1:30 p.m., at the church.

The December meeting of the Littlestown Borough Council will be held on Tuesday evening at 8 o'clock in the office of the borough secretary, Roger J. Keefe, N. Queen St.

Charles Badders, a student at the Kutztown State Teachers' College, is spending the holiday vacation at the home of his parents, Mr. and Mrs. Harry W. Badders and family, Lumber St.

Mr. and Mrs. B. Jack Hopkins and family, Bristol, spent the weekend at the home of Mrs. Hopkins' brother-in-law and sister, Mr. and Mrs. Robert H. Miller, and family, S. Queen St. Additional Sunday dinner guests at the Miller home included Mr. and Mrs. Henry Noel and Mr. and Mrs. Buren Waltersdorf, Hanover.

Society Nominates
 Nomination of officers took place at the December meeting of the Women's Missionary Society of St. Luke's Union Church, near White Hall, on Friday evening at the church. Results of the nomination were as follows: President, Mrs. Charles E. Bupp and Mrs. Roscoe Kilmer; vice president, Miss Betty Hartlaub and Mrs. Guy McCabe; secretary, Mrs. Carr Breighner and Mrs. Rodney Harner; treasurer, Mrs. John H. Hartlaub and Mrs. Claude Flickinger. Election of officers will be held at the January meeting.

The meeting on Friday opened with the group singing of Christmas carols. The topic for discussion entitled "Seeing Jesus in Christmas" was presented by Mrs. Ray Reichart, leader for the evening. Poems were read by Mrs. Guy McCabe and Mrs. Claude Flickinger. Prayer was repeated in unison. Miss Betty Hartlaub gave a report on the fall conference of the Nevins Regional Guild, held in Christ Reformed Church, near Littlestown. The secretary's report was presented by Mrs. Parr Breighner. Mrs. Guy McCabe was elected to be the leader for the next meeting of the society on Friday, January 23, at the church.

Over 1,000 At Party
 Between 1,000 and 1,100 children of Littlestown and surrounding community received their annual Christmas treats through the courtesy of the Fraternal Order of Eagles, Littlestown Aerie No. 2226, on Saturday morning. The treats, a giant Hershey chocolate bar and an orange, were presented to the boys and girls by Santa Claus, who was in the lobby of the Towne Theater. Santa was escorted to the

theatre at 10 o'clock by the Littlestown High School band. Over 700 children attended the free movie, showing of a Tim Holt film at the theatre.

Mrs. Elwood Harner, Cemetery St., received the Appreciation Day award at the program on Saturday night. The award, 50 per cent of the jackpot, amounted to over \$200.

The Youth Fellowship of Redeemer's Reformed Church will hold its annual Christmas party on Tuesday evening at 7 o'clock in the social hall of the church. There will be an exchange of gifts. A program will be presented and refreshments will be served.

At the weekly meeting of the Littlestown Rotary Club on Tuesday evening, 6:15 p.m., at Schott's Hotel, Lloyd E. Crouse will show movies of Club activities taken at Schott's Farm and the L. D. Snyder residence.

The shootings occurred late Saturday night in a booth at the Beaver-Dell, a restaurant and dance hall in Beaverdale. Wilkinson said Patterson shot the girl in the head with a .32 automatic pistol, then fired a bullet into his own head. Both died about two hours afterward.

Had Made Threats
 Wilkinson and state police Pte. Leonard G. Washington told this story:

Miss Davidson, a

DRIVING STORM SWEEPS ACROSS GREAT PLAINS

By The Associated Press
Winter blew in officially and violently on a driving storm of snow, sleet and freezing rain across the Great Plains today.
Four to nine inches of snow fell in parts of Nebraska and Kansas, and lesser amounts through Iowa, Northwestern Missouri and the Dakotas. Winds to 35 to 50 miles an hour velocity whipped the snow into drifts.
Outside the snow areas on the plains, icing was the traffic and communications hazard. East-Central Iowa reported communications lines were breaking faster than they could be repaired, and the state had about 300 long distance circuits out of service.
Moderate temperatures kept the storm out of the blizzard category. Readings were in the 20s and 30s. The first full day of winter—the new season officially began at 4:44 p. m. yesterday—was a miserable one over most of the nation.
Low Clouds, Fog
Low clouds, fog, some snow and drizzle were general from the storm area eastward to the Appalachian Mountains; it was raining

along the Middle Atlantic Coast, snowing in the Rocky Mountains and Upstate New York, and the Pacific Northwest had showers.
The only sections with fair weather were the Southwest and the Gulf States.
The Midwest's lowering skies threatened a continuation of hazards which shut down Chicago's Midway Airport yesterday and stranded at Des Moines a chartered plane carrying 67 servicemen from Travis Field, Calif., to Chicago and New York.
Because of the pre-Christmas travel rush, the shutdown at Chicago was estimated to have affected 10,000 persons. Trans-World Airlines said 2,000 of its bookings either were canceled or were landed at St. Louis or Kansas City.
The servicemen stranded at Des Moines were en route home on Christmas furloughs. The flight was to be resumed today.

SENT TO JAIL

Michael Hitecho, 56, of Bethlehem, Pa., arrested Thursday afternoon by borough police on a disorderly conduct charge, was committed to the Adams County Jail Saturday afternoon by Justice of the Peace John H. Baschore for three days in default of a fine of \$5 and costs.
If you aren't using a whole package of dried fruit, put the remainder in a tightly covered container in your refrigerator.

Rev. McHale Resigns Charge At Steelton

The Rev. W. Edward McHale, son-in-law of Dr. and Mrs. W. C. Waltemyer, 251 Springs Ave., announced to the congregation his resignation Sunday as pastor of St. John's Lutheran Church, Steelton. He has served as the pastor of the Steelton church for 11 years.
Rev. McHale has accepted a call to the pastorate of the Muhlenberg Memorial Lutheran Church, Philadelphia, and will begin his duties there in January. The Philadelphia church has a confirmed membership of nearly 1,000. It has been without a pastor since the sudden death of Dr. Charles F. Dapp in September.
Rev. McHale is a graduate of the University of West Virginia and of Gettysburg Lutheran Theological Seminary. His wife, the former Ruth Waltemyer, is a graduate of Gettysburg High School and Gettysburg College.
The Muhlenberg church is located at 13th and Ruscomb Sts., and the parsonage at 1332 Wagner St., in the Logan section of Philadelphia.

Acme Super Markets Merry Christmas

Here's the Food to Assure Your Entire Family a Joyful, Merry Christmas
Note Store Hours This Week -
OPEN MONDAY & TUESDAY UNTIL 9 P. M.
Close Wednesday (Christmas Eve) at 6 P. M.
CLOSED ALL DAY THURSDAY, CHRISTMAS DAY
Friday and Saturday Regular Store Hours.

If you didn't enjoy one yourself, ask anyone who had a Lancaster Turkey from the Acme at Thanksgiving. They'll tell you how much they enjoyed their tender, juicy, full-breasted, meaty bird because there's nothing finer in the country. Only the pick of the nation's best flocks are good enough to bear the Lancaster Quality Tag. Why not be sure of your enjoyment at the table... why take chances with anything less than the best?... especially when you can be certain it costs no more at the Acme.
